

Sprint 3 Plan

Santa Cruz Housing Crisis, February 15 to March 4

Goal:

- *(story points)* As developers, we want to refine the ways in which the user interacts with the data in visceral and practical ways so that they may look at different graphs viewing different data.
 - Task 1:

Total for user story 5: XX hours

- *(story points)* As a user, I want to see the requested data set in a visually engaging way, so that I may better understand the Santa Cruz housing crisis.
 - Task 1:

Total for user story 6: XX hours
